SELF-REGISTRATION INSTRUCTIONS – Harrisburg School District Parents

Harrisburg School District has elected to use the SafeSchools online safety training program to train professional staff, support staff, and even district parents on school-related safety issues. SafeSchools offers trainings in all facets of school safety issues, and its compliance management system tracks all the training for the district, allowing us to easily demonstrate state and federal compliance with safety mandates. SafeSchools courses have been authored by nationally renowned experts, and has been endorsed by a number of school boards and superintendent associations nationwide.

As a district parent, you will need to register yourself to the system in order to take your optional trainings:

Go to **Harrisburg's SafeSchools homepage**, <https://harrisburg-or.safeschools.com/register?token=378eddb7&submit=Continue> and click "Register" (below the "Login" button). Next you will be prompted to enter some basic information, including a username of your choice, which you will use to login to the system moving forward.

Once you login to the site, you will see a list of courses assigned to you. To begin a course, click on the title then follow the prompts. To earn a certificate of completion, you must complete all sections of a course and pass the quiz. You do not have to take SafeSchools courses in one sitting, however; if you are called away, the system will remember where you left off and allow you to pick up again at that point.

Your participation will help to make Harrisburg School District a safer place to work and learn! If you have any questions, please contact **Michele McRae, Administrative Assistant, (541) 995-6626, Ext 361, or Michele.McRae@harrisburg.k12.or.us**
