

School Board Members Roles and Duties

The Harrisburg School District is seeking persons to serve as a member of the School Board of Directors.

Qualified applicants must be a registered voter and have lived in the district for at least one year. The School Board's four main areas of responsibility are to establish policy, develop a budget, oversee the superintendent's recommendations, and to serve as a two-way communication link between the community and the superintendent. Meetings are held on the second Monday of each month at 6:30 pm in the high school library.

Interested parties are encouraged to submit a letter of interest to the school district office no later than Monday, August 19, 2019.

The Harrisburg School District currently enrolls 840 K-12 students. The District employs 54 licensed teachers, 72 classified and confidential staff, and 4 administrators. The District is divided into a K-6 elementary school, and a 7-12 junior/senior high school, and we operate on a 4-Day school week. We offer a comprehensive academic and extra-curricular programs designed to best meet the needs of our students.

Currently the Harrisburg School Board consists of the following members: Board Chair Justin Thomas, Vice Chair Jason Carothers, and board members Wayne Swango and Josh Johnson. The board normally consists of five voting members.

The board of education is the legal governing body of the school district and as such has the final authorization and responsibility over the many phases of the school district operation. The board shall determine the various policies which govern the operation of the school and shall charge the chief executive official, the superintendent of schools, with the responsibility of operating the school within the framework of established school board policies.

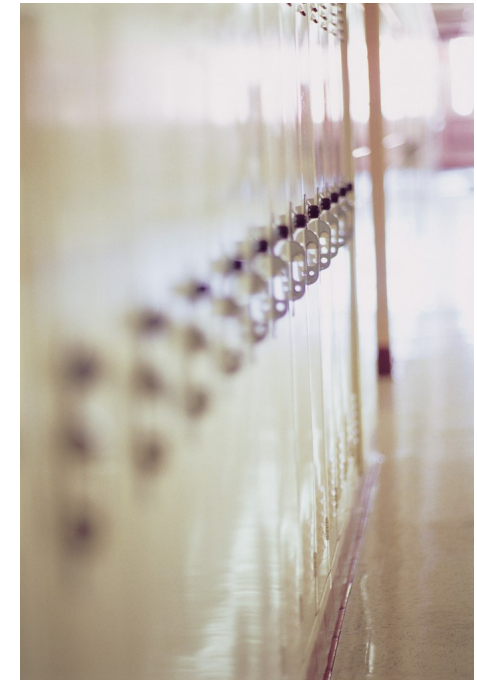

The duties of the board shall include, but not be limited, to the following:

1. The adoption of general policies for the administration of the School system.
2. The approval and adoption of an annual budget for the operation of the school and retirement of bonds.
3. The approval of the continued employment of all employees after considering the recommendations of the superintendent.
4. The adoption of regulations for the accounting of all school funds.
5. The determination of salary scales, terms of contract, daily and weekly hours of work, fringe benefits, and other conditions of employment for all school employees.
6. The establishment of policies on school entrance, expulsion, promotion, and graduation.
7. The provision of adequate facilities to carry out the educational program of the school district.
8. The establishment of an insurance program for the protection of school property and school personnel.

9. The initiation of a program of regular review and evaluation of established school board policies.

10. The adoption of any policy of regulation which the board of education deems advisable to facilitate the effective governance of the school district.
